CDC/NIOSH (M) 2.10 Rev. 07/2007 **SEE REVERSE SIDE FOR INSTRUCTIONS**

Public reporting burden of this collection of this information is estimate to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC, Project Clearance Officer, 1600 Clifton Road, MS D-24, Atlanta, GA, 30333 ATTN:PRA (0920-0020). Do not send the completed form to this address.

**Instructions for Completion of
Coal Mine Operator Plan
Form N. CDC/NIOSH(M)2.10**

- 1 Name of Company Officer In Charge of Program - Name of Individual to be contacted relative to implementation of plan.
- 2 Title - Title of individual listed in block #1.
- 3 Name of Mine Operator - Name of Mine Operator or parent company.
- 4 Telephone Number - Telephone number for contact purposes for information relative to coal mine operator plan (individual noted in block # 1)
- 5.thru 8 Address of mine operator or parent company
- 9 Name of Mine - Specific name of mine (not company)
- 10 Mine Identification Number - Identification Number assigned by MSHA
- 11 Number Miners - Approximate number of miners employed or to be employed
12. thru 15 Mine Mailing Address - Mine address, not company address (address where approved plan will be sent.)
- 16 County - Name of county where mine is located
- 17 Name(s) of X-ray Facility(ies) - Facility(ies) where examinations are to be conducted. If mobile facility is to be used, a local facility should also be named to conduct pre-employment and mandatory examinations,
- 19 Certification Number - NIOSH Certification Number (can be located in facility list)
- 19 Number Miles from Mine - Distance from facility to mine
20. thru 21 Name and Address of Interpreting Physician - Name and address of physician(s) who will read films for the facility where films are made (this information can be obtained from the facility)

TIME SCHEDULE

- 22 Begin date - Beginning date of period during which miners will have an opportunity for x-rays. If mine is new, program should begin within one month of the date you submit your plan. If mine is not yet in operation, program should begin when hiring starts to allow for pre-employment x-rays. If a mobile facility is to be used, the begin date should indicate the first date that the mobile unit will be at the mine. Enter date (month, day, year) when examinations will begin.
- 23 End Date - End date of 6-month period during which miners will have opportunity for x-rays. Program should end six months after beginning date. If a mobile facility is to be used, the end date should indicate the last date that the mobile unit will be at the mine. Enter date (month, day, year) when examinations will stop (voluntary examinations only).
- 24 Days - Days of week when miners may be examined (i.e., Mon-Fri)
- 25 Hours - Hours during each day when miners may be examined at facility (i.e., 8-0-0 a.m. thru 4-00 p.m.). If mobile unit is to be used hours are usually one hour before and one hour after shift change.
- 26 Remarks - Other pertinent information. Indicate which facility will conduct mandatory and /or repeat x-rays. If using mobile facility indicate the number of change houses, location and name of change houses where facility will be set up. Indicate if miners may be examined at facility on a walk-in basis, or if appointment will be required, whether or not miners work rotating shifts, and if appointments will be made at miners convenience or will miners be released from work.
- 27 Signature (must be original, not stamp or copy) and date plan is submitted.
